A Message from the Commander

Happy Spring, it's been a long time coming this year!

I hope this edition of the newsletter finds you and yours well, happy and thawed. There have been many changes at the Post in the past eight months. Some were more popular than others, but all were necessary. The overall goal has been increased transparency and fiscal accountability to make our Post a strong and enduring asset to the community of which we can all be proud. We have made great strides in this direction – our debt load has been cut in half, committees have been realigned with clear mission statements and budgets, and we are beginning to funnel money back into the community in support of the Legion's Four Pillars: Veterans Affairs & Rehabilitation, National Security, Americanism, and Children & Youth.

With our organizational and financial footing stabilized, we are looking to the future to create fun and meaningful events that increase community involvement, attract new members, and generate revenue for our mission. We have instituted the tradition of ringing a bell on Friday nights in honor of deployed service members. Once we overcome some media and equipment challenges, we will be playing the National Anthem daily at noon. The new cornhole tournaments were great and will continue indoors until the weather breaks, then move outside if we have volunteers. By the time you read this, we'll know if the Lent Friday Fish and Chips take away dinner was a good idea. Hard to believe with 18" of snow on the ground, but the Auxiliary Easter egg hunt is just around the corner. On 6/6/26, the 82nd anniversary of D-Day, we are celebrating the 82nd Airborne Division's pivotal role in liberating Europe by hosting an ALL AMERICAN Barbecue. Our Post is sponsoring the Central Pennsylvania Independence Day parade in State College again this year, celebrating the 250th birthday of these United States. In October, we're planning a huge Oktoberfest on the 23rd and 24th. In conjunction with that, we will be hosting a venue for OktoBeeFest, a celebration which honors Seabee veterans and active duty worldwide. There are a great many new, fun and exciting events planned, but there's still white space on the calendar. If you have something you'd like to organize at the Post or would like to volunteer for a planned event, stop by or drop us a line. The Legion Office is manned daily from 9:00 AM to noon and we're there to help or listen – or you can contact me at NittanyPost245CDR@gmail.com or call the Post at (814) 237-6880 and leave a message. We will get back to you.

As I wrote in the last Commander's Corner, change is hard but, in many cases, necessary and beneficial in the long run. Having established a firm foundation, we are working to build a fun club that gives back to our community. Thank you for continuing the journey with us as we strive together to build the best Post in Pennsylvania.

For God and Country,
DJ Watkins
Commander, Nittany Post 245

Membership - Nittany American Legion Post 245, Inc.

I hope all enjoyed the holidays and survived the snow and extreme cold temperatures. I can't wait for spring to arrive. How about you.

Membership renewals for Veterans are progressing nicely. As I write this article, we have 627 Veterans renewed and have 52 to go to meet our goal of 100% which will be 679. If you have not renewed for 2026, please mail in the renewal notice with payment or drop it off at the Post. We are also looking for new and transfer members so if you know a Veteran that is not a Legionnaire, ask him or her if they would be interested in joining. It's that easy to get a new member.

Every year we pay for our over 80 Veterans, active-duty Military and some hardship cases. This amounts to about $3800.00 every year. I am asking for your help to fund this expense by donating $45.00 to help cover this. You can mail it to the Post or stop by and tell them it goes to sponsor an over 80, active-duty or hardship member dues for 2027.

For our Social members, renewals are still being accepted for 2026. If you have not renewed, please due so soon.

Thank you,
Larry Hess Post 245 Adjutant

Nomination Committee – Post 245

Nominations are still being accepted for Commander, 1st and 2nd Vice Commander, Adjutant and Treasurer. Also, there are two At-Large positions open for nominations and one At-Large position to be filled by appointment. There are nine positions that make up the Post Executive Committee (PEC). To qualify for nomination, you must have been a member of Post 245 for 2 years, and or attended Legion College or equivalent.

If any Veteran Legionnaire is interested in being nominated, please see Rich Seifert or Larry Hess.

Nominations will be accepted from now to the end of our May 21, 2026 meeting. Nominations will not be accepted after the May meeting. Our meeting is the 3rd Thursday of every month at 7:00 pm. Elections will be held at our June 18, 2026 meeting. All elected officers will be sworn in at our August 20, 2026 meeting. We do not hold a meeting in July.

Thank you,
Rich Seifert and Larry Hess

Building and Grounds Committee

- We removed several trees and shrubs along the sides and back of the building. Tops were moved to the edge of the road for removal by the township. A contractor has been contacted and is planning to remove the stumps left behind and will smooth out the area on the sides and back of the building to allow for clear passage around the building.
- The HVAC unit serving the dining room has been going into fault and locking out. Presently it's believed the fan motor is acting up. Hard to fully diagnose now since the issue is intermittent.
- April 18, 2026, from 8 AM to 4 PM has been tagged for "Spring Cleanup". Lunch will be served at high noon. A list of tasks will be developed by the B&G committee at the March meeting and distributed at the March Post and SAL meetings for volunteers to sign up. Call (814) 237-6880 if you'd like to help. Thank you.
- Preliminary B&G budget has been submitted to the Post Finance Officer for review and consideration during the budget review process.
- The Post 245 SAL Squadron graciously donated a backpack leaf blower and a weed eater to the ground's cleanup and beautification efforts. Thank you – Gents.

BSA Troop 245 Corner

This year's Scouting Camporee is at Curtin Village, Eagle Iron Works. The dates are April 24, 25, and 26, 2026. The Eagle Iron Works was a cold blast furnace that operated from 1810-1921. The ironmaster mansion has been preserved and will be open for tours. It was the home of Roland Curtin, Iron Master and father of Civil War governor Andrew Gregg Curtin.

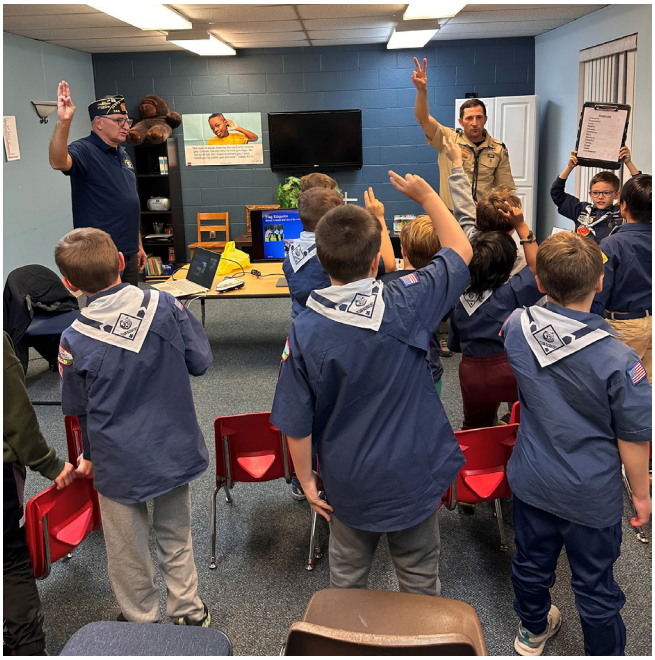
Scouts will journey back in time to see how raw materials were transformed into pig iron and transported on the Bald Eagle & Spring Creek Navigation Canal.

They will spend time in the Irish Immigrant village, and participate in leather working, blacksmithing, live burn charcoal making and many more historic activities.

Post 245 will be providing a program on the Great Seal of the United States, the history of the American Flag, and completion of American Heritage merit badge.

Scouts will have the opportunity to meet and speak with U.S. Congressman Glenn T. Thompson who will attend the Camporee!

Tom Palchak
First Vice Commander



Children and youth are one of our Legion's four pillars. Last October, Post 245 presented a program on the History, Etiquette ,and Care of the American flag to the scouts of Cub Pack 67. Scouts learned about the history of the flag, proper way to fold the Colors, its symbolism, and customs. Each scout received their own American flag and a copy of the U.S. Constitution.

Attention Legionnaires and Legion Family: Stay informed! Email Post245@comcast.net to get added to our mailing list if you're not receiving updates. Thank you!
